Your Song (Remastered)

NotFound

It's a little bit funny this feeling inside I'm not one of those who can easily hide I don't have much money but boy if I did I'd buy a big house where we both could live If I was a sculptor but then again no Or a man who makes potions in a travelling show I know it's not much but it's the best I can do My gift is my song and this one's for you And you can tell everybody this is your song It maybe quite simple but now that it's done I hope you don't mind I hope you don't mind That I put down in words How wonderful life is while you're in the world I sat on the roof and kicked off the moss Well a few of the verses well they've got me quite cross But the sun's been quite kind while I wrote this song It's for people like you that keep it turned on So excuse me forgetting but these things I do You see I've forgotten if they're green or they're blue Anyway, the thing is what I really mean Yours are the sweetest eyes I've ever seen And you can tell everybody this is your song It maybe quite simple but now that it's done I hope you don't mind I hope you don't mind That I put down in words How wonderful life is while you're in the world

How Deep Is Your Love (Serban Mix)

NotFound

I know your eyes in the morning sun I feel you touch me in the pouring rain And the moment that you wander far from me I wanna feel you in my arms again And you come to me on a summer breeze Keep me warm in your love then you softly leave And it's me you need to show How deep is your love How deep is your love, how deep is your love I really mean to learn 'Cause we're living in a world of fools Breaking us down When they all should let us be We belong to you and me I believe in you And you know the door to my very soul You're the light in the deepest darkest hour You're my savior when I fall And you may not think That I care for you When you know down inside that I really do And it's me you need to show How deep is your love How deep is your love, how deep is your love I really mean to learn 'Cause we're living in a world of fools Breaking us down When they all should let us be We belong to you and me And you come to me on a summer breeze Keep me warm in your love then you softly leave And it's me you need to show How deep is your love How deep is your love, how deep is your love I really mean to learn 'Cause we're living in a world of fools Breaking us down When they all should let us be We belong to you and me How deep is your love, how deep is your love I really mean to learn 'Cause we're living in a world of fools Breaking us down When they all should let us be We belong to you and me

Killing Me Softly With His Song

Struming my pain with his fingers Singing my life with his words Killing me softly with his song Killing me softly with his song Telling my whole life With his words Killing me softly with his song I heard he sang a good song I heard he had a style And so I came to see And listen for a while And there he was this young Boy A stranger to my eyes Struming my pain with his fingers Singing my life with his words Killing me softy with his song Killing me softly with his song Telling my whole life With his words Killing me softly with his song I felt all flushed with fever Embarrassed by the crowd I felt he found my letter And read each one out loud I prayed that he would finish But he just kept right on Struming my pain with his fingers Singing my life with his words Killing me softy with his song Killing me softly with his song Telling my whole life With his words Killing me softly with his song He sang as if he knew me In all my dark despair And then he looked right through me As if I wasn't there And he just kept on singing Singing clear and strong Struming my pain with his fingers Singing my life with his words Killing me softy with his song Killing me softly with his song Telling

Struming my pain with his fingers Singing my life with his words Killing me softly with his song
Killing me softly with his song Telling my whole life With his words Killing me softly with his song I
heard he sang a good song I heard he had a style And so I came to see And listen for a while And
there he was this young Boy A stranger to my eyes Struming my pain with his fingers Singing my
life with his words Killing me softy with his song Killing me softly with his song Telling my whole life
With his words Killing me softly with his song I felt all flushed with fever Embarrassed by the crowd I
felt he found my letter And read each one out loud I prayed that he would finish But he just kept
right on Struming my pain with his fingers Singing my life with his words Killing me softy with his
song Killing me softly with his song Telling my whole life With his words Killing me softly with his
song He sang as if he knew me In all my dark despair And then he looked right through me As if I
wasn't there And he just kept on singing Singing clear and strong Struming my pain with his fingers
Singing my life with his words Killing me softy with his song Killing me softly with his song Telling
my whole life With his words Killing me softly with his song Ohhhhhhhhhhhh
oohhhhhhhh...Lalalal..Ohhhh lalaaaaaaa Struming my pain with his fingers Singing my life with his
words Killing me softy with his song Killing me softly with his song Telling my whole life With his
words Killing me (softly) He was strumming my pain Yeah he was singing my life Killing me softly
with his song Killing me softly with his song Telling my whole life with his words Killing me softly with
his song
