Her hair is Harlow gold, Her lips sweet surprise Her hands are never cold, She's got Bette Davis eyes She'll turn her music on you, You won't have to think twice She's pure as New York snow, She got Bette Davis eyes And she'll tease you, She'll unease you All the better just to please you She's precocious and she knows just What it takes to make a pro blush She got Greta Garbo stand off sighs, She's got Bette Davis eyes She'll let you take her home, It whets her appetite She'll lay you on her throne, She got Bette Davis eyes She'll take a tumble on you, Roll you like you were dice Until you come out blue, She's got Bette Davis eyes She'll expose you, when she snows you Off your feet with the crumbs she throws you She's ferocious and she knows just What it takes to make a pro blush All the boys think she's a spy, She's got Bette Davis eyes And she'll tease you, She'll unease you All the better just to please you She's precocious, and she knows just What it takes to make a pro blush All the boys think she's a spy, She's got Bette Davis eyes...

Every breath you take Every move you make Every bond you break Every step you take I'll be watching you Every single day Every word you say Every game you play Every night you stay I'll be watching you Oh can't you see You belong to me How my poor heart aches With every step you take Every move you make Every vow you break Every smile you fake Every claim you stake I'll be watching you Since you've gone I've been lost without a trace I dream at night I can only see your face I look around but it's you I can't replace I feel so cold and I long for your embrace I keep crying baby baby, please Oh can't you see You belong to me How my poor heart aches With every step you take Every move you make Every vow you break Every smile you fake Every claim you stake I'll be watching you Every move you make Every step you take I'll be watching you

Lying in my bed I hear the clock tick and think of you Caught up in circles Confusion is nothing new Flashback warm night, almost left behind Suitcase of memories Time after Sometime you pictured me I'm walking too far ahead You're calling to me I can't hear what you've said Then you said: Go slow, I fall behind The second hand unwinds If you're lost you can look And you will find me, time after time If you fall I will catch you I'll be waiting, time after time If you're lost you can look And you will find me, time after time If you fall, I will catch you I'll be waiting, time after time After my picture fades And darkness has turned to grey Watching through windows You're wondering if I'm ok Secrets stolen from deep inside The drum beats out of time If you're lost you can look And you will find me, time after time If you fall I will catch you I'll be waiting, time after time If you're lost you can look And you will find me, time after time If you fall I will catch you I'll be waiting, time after time You said: Go slow, I fall behind The second hand unwinds If you're lost you can look And you will find me, time after time If you fall I will catch you I'll be waiting, time after time If you're lost you can look And you will find me, time after time If you fall I will catch you I'll be waiting, time after time Time after time

Lying in my bed I hear the clock tick and think of you Caught up in circles Confusion is nothing new  
Flashback warm night, almost left behind Suitcase of memories Time after Sometime you pictured  
me I'm walking too far ahead You're calling to me I can't hear what you've said Then you said: Go  
slow, I fall behind The second hand unwinds If you're lost you can look And you will find me, time  
after time If you fall I will catch you I'll be waiting, time after time If you're lost you can look And you  
will find me, time after time If you fall, I will catch you I'll be waiting, time after time After my picture  
fades And darkness has turned to grey Watching through windows You're wondering if I'm ok  
Secrets stolen from deep inside The drum beats out of time If you're lost you can look And you will  
find me, time after time If you fall I will catch you I'll be waiting, time after time If you're lost you can
